

Eastbourne Phase 2a Construction Update

Bolton Road, Terminus Road, Langney Road

04 September 2026

Recent progress

Grouting has been completed in small areas of the recently paved sections, as well as in some previously completed areas that required topping up.

A small area of remedial works have also been completed to the paving outside of The Beacon entrance.

What's to come

Before the scheme is complete, the carriageway section on Bolton Road near the junction with Terminus Road will be resurfaced.

Traffic management in place and coming up

Terminus Road is currently closed to vehicular traffic between Bolton Road and Langney Road.

Temporary parking enforcement measures have been introduced on Langney Road by East Sussex Highways for safety reasons. This is to improve safety, traffic flow and accessibility for all road users.

Parking for taxis, disabled users, and short-term (20-minute) unloading will still be allowed in designated areas.

Want to know more?

If you have got any queries, come and see the team at the site office: 25a Langney Road – next to Marley's restaurant. We are there every Wednesday afternoon between 1pm and 3pm.
